Long Service Award 2025

7 February 2025

Group photos off all staff, and Exco members.

On 7 February, we recognized the dedication and commitment of its staff at the Long Service Award. This event honored employees who have devoted years of service to the Association, supporting persons with disabilities and the elderly, reflecting HWA's mission of care and inclusivity.

Following the award presentation, the staff and executive committee participated in a lively lohei session, tossing for prosperity and well-wishes for the year ahead. The occasion was filled with laughter, camaraderie, and appreciation for the team's hard work and contributions.

As we celebrate our staff's achievements and embrace the spirit of the new year, we look forward to continuing our journey together in serving the community.

New Life Preschool Community Engagement

6 March 2025

Fostering Awareness and Inclusivity at New Life Preschool!

On 6 March, we had a fantastic time engaging the bright and curious Nursery, K1, and K2 children at New Life Preschool in the morning! One of our team members shared his personal experiences, giving the children a glimpse into life with disabilities, and another team member talked about wheelchairs and led a fun puzzle activity. The children were so enthusiastic—they asked lots of questions and jumped right into every part of the session! It's moments like these that help build a more inclusive and informed community from an early age. Thank you New Life Preschool for the invitation!
