

HWA DIGEST

March, 2026

Edition 1

Welcome to the first issue of HWA Digest for 2026.

We celebrate the meaningful moments, shared experiences, and collective efforts that shape our community. As we move through 2026, we look forward to a year filled with growth, inspiration, and opportunities to make a positive impact together!

Long Service Award 2026

27 February 2026

On 27 February, we came together to honour the dedication and loyalty of our staff at the Long Service Award 2026. This event celebrated employees who have contributed many years of service to the Association, making a meaningful difference in the lives of persons with disabilities and the elderly, and reflecting HWA's spirit of care and inclusivity.

Following the award ceremony, our executive committee and staff joined in an energetic lohei session, tossing for prosperity and sharing their well-wishes for the year ahead. The occasion was filled with warmth, cheer, and recognition for the team's commitment and contributions.

As we mark our staff's milestones and embrace the promise of the new year, we look forward to continuing our shared journey in serving the community with dedication and purpose.

Donation from Tower Transit Singapore

10 March 2026

We are grateful to Tower Transit Singapore for their generous donation in support of HWA's work. For more than 50 years, HWA has been supporting persons with physical disabilities through rehabilitation services, transport support, and community programmes that enable them to live more independently and confidently.

Partnerships with organisations like Tower Transit Singapore help us continue strengthening these efforts and reaching more individuals in need. Thank you, Tower Transit Singapore, for standing with us in advancing a more inclusive community.
